Deputy Public Assistance Officer/Program Manager II

Cal OES

I am the Deputy Public Assistance Officer for Cal OES. I have been with Cal OES for 12 years. My career started as an emergency hire in 2008. Over the years, I have been involved in every aspect of the Recovery program including Project Specialist, Public Assistance Coordinator, Manager of the Fire Management Assistance Grant Unit, Individual Assistance, Closeout Team and Public Assistance Group Supervisor. These tasks have covered several Federal and State events. I have also been deployed to New Jersey for Superstorm Sandy, Colorado for the Colorado Floods, and Puerto Rico for the Earthquakes. Over the last 3.5 years, Cal OES has endured 11 Federal events and 34 State only events. My role over this time has been to work closely with the Public Assistance Officer, FEMA, management and staff to manage and administer the Public Assistance program. Prior to Cal OES, I was a local building contractor serving the Sacramento area for over 20 years. I am the lucky father of 3 grown adults, with 3 beautiful grandkids as my reward. I grew up in Sacramento and proudly run the McClatchy Jr Lions Youth Football and Cheer program, supporting my alma mater.
